

PRINCIPAL'S MESSAGE

Dear Friends,

I feel an immense pleasure as Principal to introduce the website of Nehru Homoeopathic Medical College and Hospital.

Nehru Homoeopathic Medical College and Hospital is one of the premier and reputed Homoeopathic Medical College of India. The institution was founded by Late Padama Bhushan Awardee Dr. Yudhvir Singh, a great freedom fighter, social worker and pioneer Homoeopath in India in the year 1972 and was handed over to Delhi Government (now GNCT of Delhi) in the year 1972.

The Institution is imparting 5½ year undergraduate BHMS course having intake capacity of 100 students per year and 3 years post graduate MD (Hom) course in 2 disciplines namely Practice of Medicine and Organon of Medicine having intake capacity of 2 students every year in each discipline. The college is affiliated to University of Delhi since 1992. Since then the institution has come a long way in adding new dimensions to the Homoeopathic Education in this country.

The outdoor patient department of the Hospital is providing Preventive, Promotive and Curative Homoeopathic Health Care services and deals with day to day ailment of the patients and provides Laboratory, X-Ray, Ultrasound facilities. All the facilities in the institution are free of cost to the public at large.

We emphasize on hands on training in clinical skill for which we have 100 bedded indoor hospital attached to the college.

In the coming academic year, the students in institution can also look forward to wider range of opportunities to stretch themselves beyond class room through greater participations in seminar, re-orientation, medical conferences etc. The teaching faculty is also working on existing curriculum to sharpen the learning of our student in the academic area.

Our caring approach to the students ensure to produce doctors with good human values, who have systematic approach to the patients and are sensitive towards the problem faced by the patients.

Join us in our mission to make our institution a place where excellence in teaching results in high academic achievement and enables the students to realize personnel excellence at all level.
